ZHEJIANG LANBAO ELECTRICAL APPLIANCE CO., LTD.

2022 PRODUCT CATALOG

Zhejiang Lanbao Electrical Appliances Co. Ltd. was established in year 1993 and ever since then has been focused in manufacturing electrical appliances. Lanbao has a wide factory size of 70,000 square meters and 1000 employees. Lanbao factory has achieved ISO9001:2000, ISO14001, OHSAS 18001 and BSCI. Its products have obtained approvals such as GS/CE/CB/3C/LFGB/DGCCRF/DM, etc.

Lanbao Quality

Lanbao strictly implement ISO9001 Quality Management System, ISO14001 Environment Management System and OHSAS 18001 Occupational Health and Safety Management System. Our products have obtained international certificates like GS/CE, CCC, CB, SASO, UL, ETL, LFGB, DGCCRF, etc.

Lanbao Laboratory

Lanbao laboratory covers an area of 1000 square meters. At the beginning of establishing Lanbao Laboratory, Lanbao has set up a quality management system in accordance with the requirements of ISO/IEC17025 Testing and Calibration Laboratory Accreditation Standards and Laboratory Aptitude Assessment Criteria. In this lab, Lanbao appliances will be perfectly tested and verified, including Safety test, Life test, Material check, Chemical Analysis, Electronic & Electrical test, Reliability check, Noise level check and Environmental Simulation test, etc.

So far, Lanbao laboratory has been equipped with more than 80 sets of international advanced testing equipments, which are capable for noisy level test, environmental simulation test, packing vibration check, drop test, heat resistance test, safety test, life test, dynamic balancing test, salt spray test, stiffness test, etc.

Lanbao Manufacturing Capability

Lanbao has owned small home appliances product lines of Hand blender, Table blender, Powerful blender, Mixer, Kitchen machine, Vacuuming blender, Food processor and Mini chopper.

Lanbao has 5 working shops, total 30 production lines for small home appliances, which can achieve daily capacity of 60,000pcs.

Lanbao Injection Department

Lanbao has a modern injection workshop, which is set up with scientific planning layout and has clean environment. It has equipped with 60 units of precision injection machines of Haitian and Chende brands. In Lanbao injection department, feeding system and injection production lines are fully automatic.

Lanbao injection workshop can produce all kinds of small home appliance, of weight from 0.1-4000g punctually and efficiently.

AIR FRYER

KZ2101/KZ2102

- 230V 50Hz 1500W, 120V 60Hz 1200W
- High speed air circulation technology frying, frying delicious food, not greasy
- Tastiest food and snacks without oil
- Mechanical Knob to adjust the time and temperature control (KZ2101)
- Digital display, touch screen Adjust the time and temperature control (KZ2102)
- Effect of high power performance for fast cooking
- Non-stick Detachable drawer, easy to clean
- **Tilt up main unit can easy to clean the heating element.**
- **With patent**
- Fryer Capacity: 4.5L
- Temperature: 90-200°C; Timer: 0-30min
